SUMMARY

Communications professional with experience in PR, content, media relations, and influencer outreach. Interested in building strong brand stories through thoughtful communication and meaningful audience connections.

EXPERIENCE

Content Specialist Intern | Discovery Kitchen (Canada-based Remote) | *Present*

- Analysed 15+ ad creatives to identify high-performing messaging frameworks and content patterns
- Created LLM-optimised content aligned with audience intent, search behaviour, and platform trends
- Executed influencer outreach for Boond Fragrances, identifying and engaging relevant creators across the US and Canada to support influencer marketing initiatives
- Researched creator profiles and audiences to identify potential brand-fit opportunities and support targeted influencer collaborations

Public Relations Intern | Pepper Communications Group | *June – July 2025*

- Pitched stories and engaged 20+ journalists to drive media outreach for Apollo Spectra Hospitals
- Authored 15+ industry articles aligned with brand voice and healthcare positioning
- Secured media coverage and tracked outcomes through structured reporting and analysis
- Built and maintained targeted media lists and detailed coverage dossiers
- Conducted media monitoring, analysing journalist engagement, sentiment, and PR performance

Content Writing Intern | Pantech E-Learning (Sanjeevini Mart) | *August 2023 – January 2024*

- Created 2,500+ SEO-driven content pieces tailored to audience behaviour and regional markets
- Developed audience-focused content across different topics and formats, maintaining consistency in tone and messaging
- Adapted content to different audience segments to improve clarity, relevance, and readability
